

Use your vote to elect the candidate that will stand up for Hemel St Pauls

# Ron Tindall's Election FOCUS

## 3 Reasons to back Ron TINDALL

### ✓ Local

Ron lives in the seat and is the Liberal Democrat lead on Adult Care Services in the county.

### ✓ Helps People

Ron works with local schools, groups, businesses, and has also responded to residents' concerns.

### ✓ Local Plan

The plan is for 10,688 new houses in Hemel. That is too many. Ron is against excessive numbers of extra houses.

## Ron's Roadworks+ Report

From a missing streetlight in Turners Hill, to the new crossing in Queensway, to the redesign of the Allandale/Paston Road junction, Ron has dealt with many concerns from residents; some quickly resolved, others taking years, and some yet to be solved.

One of Ron's ambitions over the next four years is to see the final success of his campaign to replace the St Albans Road footbridge to Jarman Park with a proper crossing, accessible by all.

Street lighting continues to be a major concern across the county, with the Liberal Democrats

continuing to press for more local control. Locally, Ron has been successful in shielding the glare in Piccotts End, toning down the new lighting in the Old Town High Street, and finally getting new lighting in Keens Field.

In supporting the call for better bus services, Ron has been active in relocating bus stops in Longlands and Cattsdell, and getting a shelter in Smithfield (another long-running saga). Ron is also proud of his battle with builders and bureaucrats to help a resident of Piccotts End rebuild the garden wall of a listed building.

## Adult Care & Council Tax

The care our residents receive has long been a concern for Ron, who has often spoke out on the failure of government to fully fund Adult Care.

This year, Adult Care Services will cost over £448 million. 15% of this will be an additional charge on the Council Tax.

Ron says "There has to be a better way of looking after the most vulnerable in our communities than increasing the Council Tax year on year. The Government needs to carry out its promise to better link Social Care and the NHS and provide the money, rather than expect Councils to pay."

# Election day is on Thursday 6<sup>th</sup> May!
